RE: File No. 62820121

Dear Mr Nguyen,

I am writing to you in response to your letter dated September 20, 2018, which states your understanding as being that my father, Mr Michael Schemmann, has appointed me as his Canadian representative for services to whom correspondence may be sent regarding his trademark application.

Although my father, Mr Michael Schemmann, may have intended to have me serve as his Canadian representative for correspondence, I have not accepted nor do I intend to accept this nomination. Accordingly, I have not forwarded your correspondence to my father as proposed nor have I addressed matters identified in your letter that seem to be directed at my father. As I am not my father's Canadian representative for services to whom correspondence may be sent regarding his trademark application, I would suggest that you contact him by other means. I believe that he may be reached by email at mschemmann@gmail.com.

Kind Regards,

Armin Schemmann
